Mr. Charles L. A. Terreni
Chief Clerk/Administrator
South Carolina Public Service Commission
Synergy Business Park, The Saluda Building
101 Executive Center Drive
Columbia, South Carolina 29210

Re: Certification of the Use of Universal Service Funds pursuant to 47 C.F.R. §
54.314 and Telecommunications Act § 254(e)
Federal Communication Commission CC Docket No. 96-45

Dear Mr. Terreni:

The South Carolina Telephone Coalition ("SCTC"), on behalf of its member companies, hereby requests that the Public Service Commission of South Carolina ("Commission") submit a letter to the Federal Communications Commission ("FCC") and the Universal Service Administrative Company ("USAC") verifying that the individual SCTC member companies shown on the attached list are in compliance with section 254(e) of the Telecommunications Act. Attached are company specific affidavits attesting to the fact that Federal Universal Service Funds will be used as intended in compliance with Section 254(e) of the Telecommunications Act.

The FCC's rules require that, in order for carriers to receive the federal support for which they are eligible, state commissions must file an annual certification with USAC and the FCC stating "that all federal high-cost support provided to such carriers [rural incumbent local exchange carriers and competitive carriers classified as eligible telecommunications carriers serving lines in an area of a rural incumbent local exchange carrier] will be used only for the provision, maintenance and upgrading of facilities and services for which the support is intended." 47 C.F.R. § 54.314. These certifications must be submitted by the state commission prior to October 1 of each year in order for the companies to receive the full federal funding for which they are eligible. Id.

The SCTC respectfully requests that the Commission issue a letter to the FCC and USAC certifying that SCTC's individual member companies are in compliance with section 254(e) of the Act.

Federal high cost support is administered by USAC. USAC has contracted with NECA to assist in data collection necessary for the remittance of universal service funds. Thus, each of

June 30, 2006

Page 2

South Carolina's rural LECs submits, no less frequently than annually, detailed information requested by NECA in the USF data collection process. The information that is submitted by rural carriers must be attested to by the companies. Further, NECA and its auditors must attest to the validity and integrity of NECA's process. The information provided in response to all of the universal service fund mechanisms utilizes FCC accounts for regulated costs and must be in compliance with FCC rules in Parts 32, 36, 54 and 64.

Given the existing checks and balances, along with the fact that the certification is prospective in nature (*i.e.*, the certification filed in October is for the following calendar year), the SCTC believes that self-certification from South Carolina's rural LECs is appropriate, and that the Commission may rely on such certification. The SCTC believes that safeguards are already in place, including audits of the information that is submitted to USAC and the FCC, to ensure that the basis for the calculation of the funds is appropriate.

The FCC requires that state regulatory authorities file a letter with the FCC and USAC certifying that rural carriers are in compliance with section 254(e) of the Act by October 1 of each year. The timing is critical, because if certification is not accomplished by October 1, 2006, federal support for universal service in the areas served by the rural carriers within South Carolina will not be provided for at least the first quarter of 2007. See 47 C.F.R. § 54.314(d). The SCTC respectfully requests that the Commission accept this letter and the attached affidavits as self-certification that the companies are in compliance with section 254(e), and that the Commission issue a letter to the FCC and USAC prior to October 1, 2006, notifying them that the SCTC member companies are eligible to receive federal universal service support in accordance with Section 254(e) of the Telecommunications Act and 47 C.F.R § 54.314.

Please let me know if you have any questions about this matter or if we can provide anything further.

Very Truly Yours,

Margaret M. Fox
